

Synaptics Appoints Susan Hardman to Board of Directors

May 22, 2020

SAN JOSE, Calif., May 22, 2020 (GLOBE NEWSWIRE) -- Synaptics Incorporated (NASDAQ: [SYNA](#)), the leading developer of human interface solutions, today announced the appointment of Susan Hardman to its Board of Directors, effective May 22, 2020. Ms. Hardman will join the Board's Compensation Committee.

Ms. Hardman enjoyed a distinguished career in senior management roles in the semiconductor industry. She held several executive positions at Intersil Corporation, including senior vice president of the Automotive and Specialty Products Group, senior vice president of the Analog and Mixed Signal Product Group, and vice president of Corporate Marketing. Ms. Hardman joined Intersil from Exar where she was vice president and general manager of the Interface Products Division, as well as vice president of Corporate Marketing. She also held roles in marketing, product design, applications, and product test with VLSI Technology and Motorola, and was an advisory board member for Santa Clara University's School of Electrical Engineering.

"Ms. Hardman's senior management positions with other semiconductor companies, her extensive knowledge of the semiconductor industry, her engineering background, and her knowledge of the consumer and automotive technology sectors give her the strong skillset, perspectives, and experiences that make her a welcome addition to our Board of Directors," said Nelson Chan, Synaptics' Chairperson of the Board of Directors.
